

Equality of Opportunity Policy

We will ensure that Kidz Zone Club is fully inclusive in meeting the needs of all children, particularly those that arise from their ethnic heritage, social and economic background, gender, ability or disability. Our setting is committed to anti-discriminatory practice and to promote equality of opportunity and valuing diversity for all children and families.

We aim to:

- Provide a secure and accessible environment in which all children can flourish and in which all contributions are considered and valued
- Include and value the contribution of all families to our understanding of equality and diversity
- Provide positive non stereotyping information about gender roles, diverse ethnic and cultural groups and disabled people
- Improve our knowledge and understanding of issues of anti discriminatory practice, promoting equality and valuing diversity and
- Make inclusion a thread that runs through all of the activities at our setting

At Kidz Zone Club we advertise our service within the school community, providing clear and concise information whether in written or spoken form. Our administration policy is based on a fair system which allows equal access to the club by allowing parents to pick and choose days regardless, of whether they are regular sessions, inconsistent over the half term or by last minute arrangement. We ensure that no member of staff discriminates against a child or their families on the basis of their colour, gender, sexual orientation, ethnicity, religion or social background. Equally we ensure that we do not discriminate against a child with disabilities and that they can participate fully in the clubs activities. Any member of staff who does, disciplinary action will be taken against them.
